

## COMMERCIAL PLAY STRUCTURE PRICES

15 January, 2010

### 1. AGE-APPROPRIATE PLAY STRUCTURE DESIGNS

Phunzone commercial play systems are primarily designed for 2 age groups and meet the ASTM safety standards for the relevant ages.

- a. **6-23 Months** (Crawler , Tots & Toddlers) ASTM F-2373
- b. **2-5 years** (Toddlers/Pre-School) ASTM F-1487 and F-1918

**Play Weight Limit:** Recommended safe play limit on panels - 110 lbs. However, it's not a problem for larger adults to get on to clean or maintain.

**NOTE:** We do not have designs for the older "**School-Age**" group ( 6-12 years)

### 2. MODEL STYLES

- a. **Open Top (S)** : for locations with a very high level of supervision. Needs large Use Zone.
- b. **Top Cap (N)**: keeps kids safely inside the structure. Use Zone only for slide areas
- c. **Contained (X)**: fully enclosed - require no Use Zone.

### 3. NETTING

- a. **Standard:** 4-color 2" squares. The price sheet reflects this type of netting
- b. **No Climb:** Black, ½" squares. Required by many commercial facilities. Extra cost

### 4. BALLPITS

We do not offer structures where the slide is attached to the ballpit. Ballpits are available with open top (2 height levels) + closed top. To reduce damage to bottom panels of ballpit, customers may wish to add some type of foam padding. We do not sell balls or ball cleaning machines.

### 5. CUSTOM DESIGNS

Playcenters can be further customized by expanding the design, color selection, adding more slides, ballpits etc. Customized structures are individually designed and quoted.

### 6. HOME/RESIDENTIAL: PLAYGROUNDS

These are made from exactly the same components as the commercial structures, but have a different construction standards than "public" playgrounds. See separate "**Residential**" price list. For liability reasons, we do not recommend that "commercial" facilities purchase "Residential".

### 7. CONSTRUCTION KITS - We offer pre-packed construction kits (*Starter, Junior, Universal* etc) and accessory kits like pools, ballcages, vehicles. See separate **Construction Kit** price list.

7. Prices do not include plastic balls for ballpits

8. Prices do not include freight. (Prices are FOB Atlanta, GA) Most orders shipped Fedex Ground

9. Prices do not include installation cost (designed for D.I.Y assembly or by contract assemblers)

10. Prices do not include safety surfacing (customer to purchase separately - see Surfacing))

11. All prices are in US Dollars

12. 8% State Sales Tax currently only applies to Georgia customers
