

Patent Pending

According to ASTM-F1487 the flat surface of a window ledge is considered a play area onto which child can and will climb and from which could possibly jump or fall. That leaves the owner of the facility fully liable.

To eliminate this problem, the Window-Wedge J is a lightweight, easy to install solution for virtually all types or size of ledge or sill. A minimum investment for maximum safety

Benefits

- ★ Recyclable material
- ★ Anti-bacterial
- ★ Non-toxic
- ★ Fire retardant
- ★ Water resistant
- ★ Bug & termite proof
- ★ Easy installation
- ★ Easy maintenance
- ★ UV treated

Can be easily attached with double-stick tape or clear silicone adhesive.
