Shock Absorbing Foam Safety Padding

INCREASE SAFETY - REDUCE LIABILITY

10,000+ USES

Manufacturing - Materials Handling - Construction - Transportation
Military - Recreation - Education - Medical - Residential

The rugged, foam padding protects people from getting hurt in all types of hazardous environments - on hard, sharp, or dangerous corners and edges of structures, equipment and furnishings. The outer protective cover is abrasion resistant, waterproof and anti-bacterial. The inner foam gives it "shock-absorbing" properties. Easy to install indoors and outdoors.
