INCREASE SAFETY - REDUCE LIABILITY

Shock-Absorbing Safety Padding
Childcare - Kid Gym - Nursery - Playground

We have numerous corners and edges in our facility that we wanted to cover with protective material to prevent our active kids from getting hurt - and still keep a nice clean look for our gym.

After a prolonged search, we found and ordered your safety padding. The wide array of color selections allowed us to match our color scheme appropriately. Yellow and Red are perfect for us.

It's easy to install. A fast and efficient long term solution for a great price Best of all, the product provides the corner cushioning we needed. One less concern!!

I'm sure other The Little Gym locations will find your padding equally beneficial.

Thank you for your assistance
